

Well, the end is in sight, and we don't have a lot of news left. So instead of a newsletter, I thought I would put out this list of info.

Seniors: I will put forms for final transcripts to be sent from Fatima to their school on the senior lockers and hound them until I get them back.

I will also put instructions and forms to send dual credit transcripts from the dual credit schools to their school of choice. These can be returned to me and I will send them to their dual credit college or the student can send them directly to their dual credit college.

I will also put addresses for thank-you letters for any scholarships. I encourage all kids to write a thank you for the generosity of these families and organizations.

Juniors and sophomores: their schedules for next year have been given to them, and we have worked through almost all changes. If the student changes his or her mind, make sure they talk to me before school is out. I will be in and out until the end of June, but after that I will not be able to change things since I am not going to be the counselor next year.

Freshmen received schedules today. If they want changes, they need to sign the list in the high school office. I hope to work on those changes next week.

8th graders (next year's freshmen) will hopefully get their schedules during summer school. If they don't attend summer school, I will mail the schedule to them.

Well, I guess this is goodbye! As most of you have heard, I am retiring this year. It has been an absolute pleasure working with all the wonderful people in Osage County. Watching kids grow up is an absolute joy, and with the backing of our great community and supportive networks, most of our kids excel beyond expectations. Thanks for letting me be a part of your child's development. And if I was your teacher, it has been fun watching you go through all the stages from student to parent-of-student! Full circle, as they say.

Off to greener pastures!
